TRAIN. WORK. LIVE THE RURAL LIFE

General Practitioners (GPs) with advanced skills are in demand in rural NSW.
The NSW Rural Generalist (Medical) Training Program provides General Practice trainees (registrars) with a supported training pathway to a career as a rural GP delivering advanced skills services in rural hospitals.

Don't miss out on a great opportunity to take your career on a new path:

✓ A great lifestyle
✓ A career where every day is different
✓ Training for General Practice in NSW

TO CHECK YOUR ELIGIBILITY
YOU MUST MEET EACH OF THE FOLLOWING CRITERIA:

1. Accepted to a General Practice (GP) training program
2. Successfully completed or near completion of (at least) your Medical Post Graduate Year Two
3. Eligible to continue training as a GP Registrar in NSW
