

2020 Strategic Framework

Our Vision

Where innovation drives excellence in education and training for improved health outcomes

Our Purpose

Working with health partners to develop contemporary and responsive health education and training to enable a world class workforce

Our Values

Collaboration
Openness
Respect
Empowerment

We will focus on:

Life-Long Learning

Quality and Access

People and Systems

With a commitment to:

Integrated, contemporary and evidence-based education and training contributing to life-long learning opportunities for the health workforce

Delivering high-quality, accessible education, training and support that has a positive impact on the safety and quality of health service delivery

Embedding contemporary business practices and supporting our staff in the provision of a seamless education and training service

Six strategies will focus our efforts

1

Deepen our understanding of workforce learning needs

2

Optimise the learning environment

3

Mature relationships with our partners

4

Connect and innovate

5

Invest in and develop our people

6

Drive business excellence
