IS IT USEFUL?

- Small survey of our listeners:
 - Majority of listeners are JMOs in NSW
 - Content was reported as being of “relevant or highly relevant” and “delivered in an engaging format”

WHERE TO FROM HERE

- Survey asked for more content centered around:
 - How to manage clinical reviews (74%)
 - Getting into specialty training (74%)
- Continue to create JMO related content that aids in the soft and hard skills of being a JMO in the health system
