

## NSW Health - HETI Moodle

The NSW Health HETI Moodle is a learning platform designed to provide learning and development to non NSW Health staff, and to those who are not yet part of the NSW Health payroll system called Stafflink.

If you are a current NSW Health employee, you must complete your training in [My Health Learning](#).

For access to HETI Moodle, please follow the steps below. If you have any questions or technical issues, email [HETI-support@health.nsw.gov.au](mailto:HETI-support@health.nsw.gov.au).

### Setting up an Account

**Step 1:** Go to <https://elearning.heti.nsw.gov.au>

**Step 2:** Select **Create new account**.

## IMPORTANT INFORMATION

### ACCOUNT LOCKED? - Please Note:

Some accounts may have been temporarily disabled or locked. Click the following link so that we can quickly resolve this for you

[HETI-Support@health.nsw.gov.au](mailto:HETI-Support@health.nsw.gov.au)

**PLEASE NOTE:** If you are a current NSW Health employee you must complete your training on My Health Learning unless the training you are wishing to undertake is only available on this site.

Create new account

**Step 3:** Create new account - Complete **New account** details. **Note** fields marked with red exclamation mark  are compulsory. Type an easy to remember **Username** and **Password** in the login section of the page. Then select **Create my new account**. If the username is already being used by another user an error message will appear saying “Invalid login, please try again”.

## HETI Moodle: account confirmation

Systems Administrator (via HETI Moodle) [noreply@nswhealth.moodle.com.au](mailto:noreply@nswhealth.moodle.com.au)

---

Hi

A new account has been requested at 'HETI Moodle' using your email address.

To confirm your new account, please go to this web address:

<https://elearning.heti.nsw.gov.au/login/confirm.php?data=xj4kANDXUIHoWEk/annabelatest>

In most mail programs, this should appear as a blue link which you can just click on. If that doesn't work, then cut and paste the address into the address line at the top of your web browser window.

If you need help, please contact the site administrator,

Systems Administrator  
[support@Heti.nsw.gov.au](mailto:support@Heti.nsw.gov.au)  
[www.Heti.nsw.gov.au](http://www.Heti.nsw.gov.au)

## Course Access

**Step 5:** Once logged into Moodle, scroll and select **Physiotherapy Virtual Cardiorespiratory ICU Training**.

### HETI Moodle

Increase your skills in preventing fraud & corruption, managing meetings & other corporate governance related topics.

If you are a current NSW Health employee you must complete your training on My Health Learning unless the training you are wishing to undertake is only available on this site. To avoid having to repeat any online training you must select your health service from the list below.

- Aboriginal Workforce (Restricted)

### Physiotherapy Virtual Cardiorespiratory ICU Training

**Webcast recording available soon: Physiotherapy Virtual Cardiorespiratory ICU Training**

The purpose is to provide physiotherapy staff with an update in cardiorespiratory physiotherapy practice for intensive care, and planning for potential roles of physiotherapy in the [management](#) of COVID-19 patients in this environment.

This two day virtual training course provides a refresher and update for physiotherapy staff working in ICUs with increasing cases of COVID-19 and ventilated patients. This course combines key topics from the Cardiorespiratory Physiotherapy Level 2 – ICU course and incorporates COVID19 respiratory [management](#) based on The Australian and New Zealand Intensive Care Society (ANZICS) COVID-19 Guidelines and the latest ANZICS-COVID-19-Guidelines and COVID 19: Respiratory Physiotherapy On Call Information and Guidance from NHS. Leading experts in intensive care will provide this training.

This module contains information that may be emotionally confronting for some people. If you find it raises any concerns please speak to your manager or contact the Employee Assistance program or relevant support services such as Lifeline, Headspace. See references for contact details.
