

LEAP 2021

AN INNOVATIVE, INTERACTIVE AND
INSPIRATIONAL LEADERSHIP
PROGRAM FOR DOCTORS IN
TRAINING

Applications are now open for NSW Health doctors in training, looking to develop their leadership capabilities.

Leap is a leadership development program delivering five innovative, interactive and inspirational face to face workshops.

The focus of the course is on developing skills in the following areas:

- Understanding of self and working effectively with others
- Understanding the health system for creating change
- Implementing strategies to meet future needs in medical education and training.
