

LEAD & LEAP 2019

AN INNOVATIVE, INTERACTIVE AND
INSPIRATIONAL LEADERSHIP
PROGRAM FOR CLINICAL LEADERS IN
MEDICAL EDUCATION AND TRAINING

Applications are now open for NSW Health doctors at all stages of their career looking to develop their leadership capabilities.

Lead and Leap is a leadership development program delivering five innovative, interactive and inspirational face to face workshops.

The focus of the course is on developing skills in the following areas:

- Understanding of self and working effectively with others
- Understanding the health system for creating change
- Implementing strategies to meet future needs in medical education and training.
