18th annual

Sydney

Emergency

Xray

Interpretation

Day ©

**ACEM
Accredited
Workshop**

COURSE OUTLINE

The SEXI Day© is the first x-ray interpretation course in Sydney designed to meet the needs of Emergency Registrars, SRMOs, Nurse Practitioners and Emergency Department Physiotherapists, to help develop skills and confidence in accurate radiological interpretation.

The day is an excellent review of plain x-rays and CTs for pre-fellowship trainees.
