Emergency Masterclass

Simulated Education

27 & 28 MARCH 2020, 08:15 – 18:00
NARRABRI DISTRICT HEALTH SERVICE
SISTER ALISON BUSH AO MOBILE SIMULATION CENTRE

GPs, RNs and paramedics are invited to come along and hone your airway, breathing, circulation and teamwork skills in a series of interprofessional workshops, skill stations and scenarios designed to improve your management of the critically ill patient in a rural setting.

Numbers are strictly limited to the first 12 participants (4 GPs, 4 paramedics and 4 nurses).

Those registered with ACRRM and RACGP are eligible for CPD points.

COST

Sponsored by HETI

REGISTRATIONS CLOSE

2 March 2020
